

Emergency Medical Services (EMS) Professions

Are you curious about becoming an EMT or Paramedic?

Let us help guide you through the process. Join us for a virtual information session and learn about job opportunities, schedule, costs, and much more. Sessions are held each month.

Before registering for EMT classes, all students are required to attend an information session.

Click [HERE](#) to sign up for a session.

When do classes start?

We offer EMT and AEMT on both the North Metro (Acworth) and Appalachian (Jasper) campuses. There are several starting points throughout the year. Classes can fill up.

Sign up for an information session to receive all the details.

How long is the program?

EMT takes one full semester (approximately 15 weeks) to complete.

AEMT program takes an additional 10 weeks to complete.

Sign up for an information session to receive all the details.
