

ChattTech

A Unit of the Technical College System of Georgia - Equal Opportunity Institution

Mammography Certificate

Spring 2025

Program Location:

- Online
- Clinical Rotation at local Healthcare Facility

The Mammography program is for those who are already a Registered Radiographic Technologist and registered by the American Registry of Radiologic Technologists (AART). Completion of the one-semester certificate program prepares students to sit for the national certification examination in mammography offered by the (ARRT). The program meets MQSA initial education requirements for mammographers.

Mammography Program Admission:

Students seeking admission to the Mammography Program must be fully admitted to the college. See [Admissions](#) on the college website for more information on steps to apply.

In order to be admitted to the program and be able to register for classes, students must email intent to register for Mammography coursework to the Radiography Program Director Jamie.Bailey@chattahoocheetech.edu with the following:

- 1) Email must be sent from your Chatt Tech student email address.
- 2) Subject Line: "Mammography"
- 3) Student ID#
- 4) Proof of Registry as a Radiographer with the American Registry of Radiologic Technologists (ARRT)

Upon approval, you will receive an email instructing you to register for your courses. You must register for *both* RADT 2520 and RADT 2530. Seats in the Mammography program are first come, first served; an approval email does not guarantee you a seat in the program.

STUDENTS MUST BE REGISTERED BY THE END OF DAY, JANUARY 6, 2025 REGARDLESS OF CHATT TECH PUBLISHED DEADLINES FOR REGISTRATION.

Immunizations:

Chattahoochee Technical College does not require vaccinations as criteria for admission and enrollment of students; however, immunizations are required for college health programs by our clinical partners. Students may not complete clinical rotations without meeting clinical site immunization requirements. All required vaccinations must be complete prior to starting clinical practice. Students completing internships or practicums in other majors must adhere to all job site vaccination guidelines. Clinical and job site requirements can and do change without notice or input from the College.

Academic Advisement:

Students should email an Academic Advisor with questions about admission criteria or to schedule an advisement appointment. For a list of advisors visit the [Office of Advisement](#) webpage.
