

A Unit of the Technical College System of Georgia - Equal Opportunity Institution

Surgical Technology Degree

Fall Semester 2025

Program Location:

North Metro Campus

Surgical Technology Program Admission:

Students seeking admission to the Surgical Technology (ST) Program must be fully admitted to the college for Spring Semester 2025. To take pre-admission courses, students should enroll in the college's *Healthcare Science Certificate or Interdisciplinary Studies-Health Track*.

The ST program has a competitive admission process. The selection criteria consist of Admission Points with a total value of **260 points**. See the ST Admission Points Criteria sheet for additional information.

All students must have a GPA of **2.0** or higher to be considered for program admission.

Transfer Students / Transfer Credit:

If you are a transfer student, you must be fully admitted to Chattahoochee Technical College by Spring Semester 2025. The College's document deadline for Spring Semester 2025 is **Friday, November 22, 2024**.

If you are transferring college credit into Chattahoochee Technical College, official transcripts must be received by the college's document deadline, **Friday, November 22, 2024**.

Required Pre-Admission Course Work:

Complete the following pre-admission courses by **Monday, May 12, 2025**.

****See the Health Sciences webpage, catalog, or a Health Sciences advisor for general education elective courses.*

Immunizations:

Chattahoochee Technical College does not require vaccinations as criteria for admission and enrollment of students; however, immunizations are required for college health programs by our clinical partners. Students may not complete clinical rotations without meeting clinical site immunization requirements. All required vaccinations must be complete prior to starting clinical practice. Students completing internships or practicums in other majors must adhere to all job site vaccination guidelines. Clinical and job site requirements can and do change without notice or input from the College.

Application/Information Session:

Applicants must attend a Virtual Application/Information session during Spring 2025 Semester. Applications are only distributed and accepted during the application/information session. A schedule of Surgical Technology Application/Information Sessions will be available on the Surgical Technology (ST) web page. Late arrivals will not be permitted to enter the session. For more information on the Virtual Application Process, select the Health Sciences Virtual Application Sessions Q & A found the ST webpage.

Academic Advisement:

Students should email an academic advisor with questions about admission criteria or to schedule an advisement appointment. For a list of advisors visit the [Office of Advisement](#) webpage.

Final Class Selection:

Final class selection is based upon the total number of Admission Points. The students with the highest point value will be accepted into the program. In the event of a tie, students will be ranked based on GPA for the all pre-requisite courses for the Surgical Technology program and/or performance score of the Purdue Pegboard Dexterity test as needed. The dexterity test will be administered in person at the North Metro Campus.

Accreditation Information:

Chattahoochee Technical College Surgical Technology Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP). CAAHEP is located at 9355 - 113th St. N, #7709, Seminole, FL 33775. For more information please visit the [CAAHEP webpage](#) or call 727-210-2350.
