Program Notes:

If you have computer or programming skills, consider taking the exemption exams for CIST 1001 and CIST 1305. In addition to the courses at left, you are required to complete 15 credit hours of General Education courses. It is strongly recommended that you take the following courses as part of your required General Education coursework:

- Area II: PSYC 1101 Introductory Psychology
- Area IV: ARTS 1101 Art Appreciation

This eMAP along with meeting regularly with your program advisor and using DegreeWorks will help you stay on track to finish your program as quickly as possible and graduate from Chattahoochee Tech.
