

Technical College System of Georgia

Federal regulations require colleges to disclose information regarding their occupational programs that require a state licensure to be employed. Reference the program of choice, and view the status that program has for your state of residence at the initial time of enrollment. If the state you are located in does not appear, we cannot guarantee the program if study will be able to lead you to a state occupational licensure in your state.

Programs Leading to Licensure	States in which Program MEETS Licensure Requirements	States in which Program does NOT meet Licensure Requirements	Notes and Additional Links
Advanced Emergency Medical Technician (EMH1)	Alabama, Arizona, Arkansas, California, Colorado, Connecticut, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming	Alaska, Delaware, Florida, and Hawaii	All states listed offer some process for reciprocity which allow an individual to obtain an AEMT licensure with evidence of current certification with the National Registry of EMTs (NREMT) at the AEMT level and/or current AEMT licensure in the state where training initially occurred. Individual states may have additional requirements for reciprocity (i.e. Alabama requires a protocol course). Alaska, Delaware, Florida, and Hawaii do not currently license AEMT providers.
Commercial Truck Driving (CT61)	All		Class A Licensure - student should possess CLP from home state upon entry.
Emergency Medical Technician (EMJ1)	Alabama, Alaska, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine,	None	All states listed offer some process for reciprocity which allow an individual to obtain an EMT licensure with evidence of current certification with the National Registry of

	Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming		EMTs (NREMT) at the EMT level and/or current EMT licensure in the state where training initially occurred. Individual states may have additional requirements for reciprocity (i.e. Alabama requires a protocol course).
LPN Bridge RN Option (LBR3)	Georgia
