

CIST Computer Programming AAS eMap

1st Semester

- CIST 1305 Program Design and Development or CIST 1306 Swift Foundations
- CIST 1510 Web Development I
- CIST 1601 Information Security Fundamentals
- General Education Course

2nd Semester

- CIST 1220 Structured Query Language
- CIST 2371 Java Programming I
- CIST 1401 Computer Networking Fundamentals
- General Education Course

3rd Semester

- CIST 2372 Java Programming II
- CIST 2921 IT Analysis & Design/Project Management
- CIST 1520 Scripting Technologies
- General Education Course

4th Semester

- CIST 2373 Java Programming III
- CIST xxx Programming Elective Course I
- General Education Course

5th Semester

- CIST xxx Programming Elective Course II
- CIST 2931 Advanced Systems Project (**not offered in Summer term**) or CIST 2991 Internship
- General Education Course

NOTE: AAS Degree-seeking students are required to complete 15 credit hours of General Education courses.

For Programming Electives, two programming classes must be completed from the following:

- CIST 2301 – Swift Programming I
- CIST 2302 – Swift Programming II
- CIST 2341 – C# Programming I
- CIST 2342 – C# Programming II

- CIST 2351 – PHP Programming I
- CIST 2361 - C++ Programming I
- CIST 2742 – Python Programming I
- CIST 2747 – Python Programming II

Program Notes:

- If you have computer or programming skills, consider taking the exemption exams for CIST 1305.
- If you have earned certifications, course credit can be given based on this list:
 - CompTIA Network+ - CIST 1401
 - CompTIA Security+ - CIST 1601, CIST 1401
 - App Development with Swift Associate - CIST 1306
 - App Development with Swift Certified User – CIST 2301, CIST 1306
 - Certified Entry-Level Python Programmer – CIST 2742, CIST 1305
 - Certified Associate in Python Programming – CIST 2747, CIST 2742, CIST 1305
 - Oracle Certified Associate, Java SE 8 Programmer Certification – CIST 2371, CIST 1305
 - CPE – C++ Certified Entry-Level Programmer Certification – CIST 2361, CIST 1305
 - W3Schools HTML, CSS, Bootstrap Certificates (all 3) – CIST 1510
 - All three certifications must be completed and provide a personal portfolio
- If you plan to take CIST 2301 & 2302, it is recommended to take CIST 1306 instead of CIST 1305
- This eMap along with meeting regularly with your program advisor and using DegreeWorks will help you stay on track to finish your program as quickly as possible and graduate from CTC.
- Meet with one of your Faculty Advisor every semester.
