Program Notes:

If you have computer or programming skills, consider taking the exemption exams for CIST 1001 and CIST 1305. In addition to the courses at left, you are required to complete 9 credit hours of Basic Skills courses. It is strongly recommended that you take the following courses as part of your required General Education coursework:

- PSYC 1010 Basic Psychology or
- PSYC 1101 Introductory Psychology

This eMAP along with meeting regularly with your program advisor and using DegreeWorks will help you stay on track to finish your program as quickly as possible and graduate from Chattahoochee Tech.

Meet with your faculty advisor every term:
